American International Assurance Bhd. (AIA Malaysia) began operations in Malaysia in 1948 in Kuala Lumpur as a branch of American International Assurance Company, Limited (AIA). With AIA's 60 years of market presence in Malaysia, AIA Malaysia has now become one of the country's largest life insurers, with a network of 23 branches nationwide and over 1,000 employees and 8,000 agents. AIA Malaysia markets a full line of life insurance products through a multi-channel distribution system, whose core franchise is an extensive agency force. The company's focus is on designing new, innovative products to meet the changing needs of the market.
